CREOKS

Health Services

CREOKS Health Services is a non-profit organization providing comprehensive health, wellness and social services. Our behavioral health division has been serving communities in Oklahoma since 1980. Our reputation has allowed us to work with local agencies, schools, and civic organizations to help individuals and families.

Our organization offers a wide-range of services in our clinics and through home or school-based programs. We help individuals needing brief counseling, substance abuse treatment or those struggling with behavioral issues.

Our professional staff is committed to the individual and strives to provide compassion and respect to our clients and their families. Taking time to listen and properly assess client needs enables CREOKS to provide workable and successful solutions.

CREOKS is certified, and partially funded by the Oklahoma Department of Mental Health and Substance Abuse Services and is accredited by CARF International.

A Legacy of Help and Hope

CREOKS Health Services has been providing superior school-based services for more than 15 years, but our history of helping Oklahomans spans over four decades. Since 1980, CREOKS' caring and professional staff have provided quality outpatient mental health and substance abuse care to adults, adolescents and children.

We Can Help!

Behavioral health issues can lead to difficulties that affect every aspect of a student's life. At CREOKS, we believe people can recover from behavioral health and substance abuse issues through effective treatment in the least restrictive and most convenient environment possible.

We're here every step of the way. From the initial assessment and diagnosis, to the creation and implementation of a treatment plan, to linking students and their families with outside agencies and services. **CREOKS EAGLE Initiative is here to help.**

Our staff regularly assist those experiencing:

- ADHD
- Aggression
- Anxiety
- Depression
- Disruptive Behavior
- Grief and Loss
- School-Based Issues
- Bipolar Disorder
- Self-Harm
- Stress
- Substance Abuse
- Trauma
- and more
